IL MONTE GALALA
A COASTAL UNIVERSE
ON THE ROCKS

Nestled on top of Galala's starlit mountains lies a coastal universe of architecturally inspired waterfront homes, spooning the world's first mountain-top swimmable lagoon, tumbling down to embrace the Red Sea's infinite views IL MONTE GALALA is a distinct opportunity to own a world-class address in a unique location capturing natural simplicity and luxurious richness at different altitudes. Created and master-planned by Egypt's acclaimed Tatweer Misr Developments and world-renowned Italian architect Gianluca Peluffo and Partners, IL MONTE GALALA articulates a unique living experience not offered elsewhere. Inspired by Portofino's spellbinding surroundings, this year-round mountain-top community with its lush landscapes and idyllic beach lifestyle sets a global benchmark for luxury living, sustainability and unrivalled hospitality, earning it the best "Residential Low-Rise Project Award - Future" by Cityscape Global.

Imagine an intimate yet perfectly majestic world, gently rising from clear turquoise waters to proudly crown its own soul-stirring mountain, hundreds of metres above the Red Sea's glistening coast, where every little detail is sympathetic to nature, painting a mesmerizing picture of your mountain-top life.

AN EXCLUSIVE OPPORTUNITY TO CONNECT WITH NATURE

Lying on the western shore of the Red Sea's Gulf of Suez, 'Ain El Sokhna' or the 'hot springs' is ideally situated 120 km east of Cairo, extending for over 60 km on the crystalline coastline from Adabiya port in the north to Zaafarana in the south. Dubbed as Cairo's beach for its proximity, a delightful 90-minute drive is all it takes to uncover this sun-drenched gem, guarded by tranquil sapphire blues on one side, a proud mountainous range on the other, and a myriad of water and desert activities in between to leave you entertained 365 days a year. El Sokhna, famous for two mountains: Attaqa, and Galala, is believed to be the point from which Moses and is people crossed in their exodus.
